

WHY COMPASS?

FULL TIME. AFFORDABLE. FAITH BASED.

Other full-time Christian schools are costly. Distance learning schools only provide in-person classes for a few hours per week. Homeschooling is simply not feasible for many families.

COMPASS is the Solution!

COMPASS provides a full-time program, 8:30–3:30 Monday-Friday, at affordable rates.

As a Group 3 Independent School, COMPASS does not receive the government funding other Christian schools rely on.

This frees us from any obligation to teach the humanist-based beliefs and values of BC Curriculum; instead we educate with excellence from a thoroughly biblical perspective.

How do we keep our tuition fees so low?

COMPASS is a non-profit society, currently seeking charitable status. Not a business, but a ministry. Our administrative costs are covered by donations and volunteer work. Churches that share our vision graciously provide our campus facilities. Tuition fees paid by families fund only our teachers' salaries and curricular resources.

Robust, biblical teaching, not a thin veneer over the world's narrative

Depth of discipleship through mentoring and character formation

Worldview training that equips students to know, speak and live the truth in love

Train up a child in the way he should go; even when he is old he will not depart from it." (Pr 22:6)

CLASSICAL CHRISTIAN EDUCATION!

Teach Your Child How To Think!

The classical approach nurtures your child's potential as they move through the educational and developmental stages of grammar (rudiments of each subject), logic (reasoning rightly) and rhetoric (communicating truth effectively).

It is the historically-rooted and proven model of education that produced the greatest minds of Western Civilization for centuries!

COMMUNITY BASED LEARNING!

Family | Church | Neighborhood

Putting underused church facilities to kingdom use during weekdays, COMPASS partners with local congregations to educate their own children as well as youth from other nearby churches

Parent Committees and opportunities to volunteer in the classroom foster greater parental involvement; we recognize YOU as the primary educator of your own children!

COMPASS's central administrative office provides oversight, teacher training and logistical support to a network of community-based campuses.

DID YOU KNOW?

Children spend far too much time under the influence of unbelieving teachers and anti-christian media.

Two-thirds of our youth leave the church as young adults.

Barna, G., State of the Church 2002

"My Spirit that is upon you, and my words that I have put in your mouth, shall not depart out of your mouth, or out of the mouth of your offspring, or out of the mouth of your children's offspring," says the LORD, "from this time forth and forevermore."

Isaiah 59:21
